

dictionary of british folk pdf

Set definition, to put (something or someone) in a particular place: to set a vase on a table. See more.

Set | Define Set at Dictionary.com

In the early 18th century, English spelling was inconsistent. These differences became noticeable after the publishing of influential dictionaries. Today's British English spellings mostly follow Johnson's A Dictionary of the English Language (1755), while many American English spellings follow Webster's An American Dictionary of the English ...

American and British English spelling differences - Wikipedia
